**RESPONSE TO RESTRICTION REQUIREMENT**

Commissioner for Patents  
PO Box 1450  
Alexandria, Virginia 22313-1450

Sir:

In response to the Election of Species Requirement set forth in the Office Action mailed March 5, 2004, Applicants hereby make the following election, as described below:

The Examiner asserts that Applicants are required under 35 U.S.C. § 121 to elect a single disclosed species (SEQ ID NO: 5, 6, or 7) for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable. The Examiner asserts that currently, claims 35-37 are generic.

Applicants elect, with traverse, SEQ ID NO: 5. The Examiner is reminded that a species election is solely for search purposes and that should the elected species be free of the prior art, the Examiner will follow the procedure in M.P.E.P. 803.02 and extend the search to the SEQ ID NOS: 6 and 7. Applicants traverse the Election of Species Requirement, since it would not place an undue burden on the Examiner to search the claims in their entirety.

Applicants respectfully request examination on the merits of this application. Should there be any questions, Examiner Canella is invited to contact the undersigned at the number listed below.
